Background

- Collaboration established within the Indian Ocean regional program under the 10th and ongoing 11th EDF
- Topics:
 - Sustainable coastal fishery (10th EDF),
 - fighting against introduced species (ongoing 11th EDF)

Challenges

- Funding of the Mayotte part of the project
- Understanding of the rules applying to the costs supported by the TAAF that also can benefit Mayotte
- Administrative framework of the Mayotte part and TAAF part of the program
- Need a strong connexion between the technical teams.

Potential solutions

- Fundraising – “Contrat de plan Etat – Région”
- Strong support provided by the EU delegation in Mauritius regarding cost eligibility in Mayotte
- From an administrative perspective, application of uniform rules regarding cost eligibility
- Integration of Mayotte to the technical and political committees of the 11th EDF

Interests

- Tackling environmental issues at a more appropriate scale (regional scale)
- Enhanced dialogue, help to overcome difficulties, and share of solutions and best practices
